

ANNOUNCING THE MOST SOUGHT AFTER PISTOL EVER MADE

"The Heir to the Colt .45 Auto"
—Jeff Cooper

There are very few occurrences in history of this magnitude. Imagine if in the 1800's there had been issued a limited run presentation grade Samuel Colt Commemorative Single Action Army Revolver. Imagine if in the early 1900's there had been issued a limited run presentation grade John M. Browning Commemorative Colt .45 Pistol. Further imagine that you were the owner of either of these fine handguns and it was in mint condition. Can you imagine the pride of ownership in having one of these? Unfortunately, those commemoratives didn't happen. But, you have a comparable, unusually rare, once-in-a-lifetime opportunity to own a firearm with that type of heritage, and that opportunity is now.

JEFF COOPER'S BREN TEN INITIAL ISSUE COMMEMORATIVE — pays tribute to and honors the distinguished career of the father of modern combat pistolcraft — **JEFF COOPER**, and marks the kick-off of the production of the most desired pistol ever made — **THE BREN TEN 10MM AUTO**.

DESCRIPTION

This exquisitely crafted piece is a fully functional, finely tuned, commemorative combat pistol. It has all of the features of a standard production model Bren Ten including selective double/single action, reversible thumb safety, and replaceable front sight, plus all of the custom features that Jeff Cooper has personally and expressly designated for this pistol. The superb stainless steel frame and blue steel slide have been highly polished to a mirror-like finish, with specially selected detailing meticulously crafted in 22k gold plate. To complement our heritage, this fine pistol is completely made in America. A special manufacturer's seal will be placed on each commemorative after it has been personally inspected and test-fired by Jeff Cooper, with a registered serial number coordinated certificate of authenticity. Each commemorative is presented in its own custom fitted, hand-rubbed, specially selected dark wood presentation chest, lined with rich, plush, deep burgundy velvet, with the owner's name inscribed on the ensconced custom plaque within. To further enrich this issue, twelve deactivated 22k gold plated, 10mm auto cartridges are included.

AVAILABILITY & SHIPMENT

Orders are now being accepted on a first come, first served basis. Requests for specific serial numbers will be honored if available; otherwise, you
